

Candidate: Reid J. Demman

Office: Salt Lake County Surveyor

District: Countywide

Email: rdemman@networldmail.com

Website: www.Reid-Demman.net

Age: 53 years

Occupation: Salt Lake County Surveyor- Elected in November 2006

Residence: Draper, Utah

Years at Residence: Two and one half years (Lifelong resident of Salt Lake County)

It's been an honor to serve you the past four years as your County Surveyor, providing the services that protect your property. We've worked diligently to maximize taxpayer dollars in providing and enhancing these services with innovative programs utilizing the latest technology to increase efficiencies and reduce costs. With these innovations and the implementation of a new fiscal management program, we reduced the Surveyor's operating budget more than 20%. Accomplishments and innovations include:

- Developed and implemented a process allowing private surveyors to file surveys electronically, creating a convenient and efficient process for the surveying community and for public access of survey records.
- Created an extensive municipal outreach program, building partnerships with cities saving taxpayers thousands of dollars.
- Expanded and improved the GPS network, protecting your property boundaries that is also the backbone of County maps and the centerline addressing system for law enforcement, fire, and other emergency response/recovery.
